

## **BAINBRIDGE ISLAND**

### **Living Along the Waterfront**

**May 15, 2004**

**Bainbridge High School**

### **Workshop Evaluation**

Please take the time to fill out this questionnaire. It is helpful in evaluating the workshop and determining future interest.

The information presented in the workshop was:

- ☐ New to me
- ☐ Familiar to me, but presented in more depth
- ☐ Information I already know

The audio and visual presentations were:

- ☐ Easy to see and understand
- ☐ Difficult to see or understand
- ☐ Impossible to see and understand

I gained a better understanding about my property by learning new information about:

- ☐ Habitat function
- ☐ The dynamics of feeder bluffs
- ☐ Wave and current action
- ☐ I am familiar with shoreline processes and shoreline ecology

I gained a better understanding about the following:

- ☐ How my property provides habitat function
- ☐ How drift cells function
- ☐ The extent of the drift cell that includes my property
- ☐ How other properties within my drift cell relate to one another

I learned new ways that a shoreline property owner can reduce the potential of pollution from:

- ☐ Septic systems
- ☐ Stormwater management
- ☐ Pesticides and fertilizers

The projects discussed in the workshop provided me with valuable information for considering future projects and seeking permits for my property

- ☐ Yes
- ☐ No
- ☐ No, I'd like to learn more

I am interested in applying the following Land Conservation Tools on my property

- ☐ Conservation Easements
- ☐ Open Space Tax Assessment
- ☐ Open Space Acquisition

As a result of this workshop, I plan to:

- ☐ Share what I learn with neighbors and friends
- ☐ Volunteer for research or monitoring activities
- ☐ Reduce or eliminate my use of pesticides and fertilizers
- ☐ Change an existing situation that may be damaging the environment
- ☐ Plan an improvement on my shoreline property to better protect my property and the environment
- ☐ Learn more and seek additional information on a topic of interest
- ☐ Other: \_\_\_\_\_

I found the field trip:

- ☐ Unrelated to the concepts and not helpful in furthering my understanding
- ☐ Somewhat helpful
- ☐ Informative and very helpful in understanding the concepts discussed at the workshop

Overall, I would rate the workshop:

- ☐ Not very informative or interesting
- ☐ Average
- ☐ Good
- ☐ Excellent

I am willing to help organize a shoreline stewardship event in my neighborhood

- ☐ No
- ☐ Yes. Please describe:  
Name  
Address
